

The logo for Independence Business Supply features a stylized red and yellow graphic above the company name. The graphic consists of a red swoosh that curves upwards and to the right, ending in a yellow star. The text "Independence Business Supply" is written in a bold, blue, serif font, with "Independence" on the top line and "Business Supply" on the bottom line.

# Independence Business Supply

As the trusted source for all your office needs, including business color printer supplies, we at Independence Business Supply would like to make you aware of an opportunity to **save approximately 25%** on your color printer supplies without sacrificing quality.

Media Sciences is the largest independent manufacturer of replacement toner cartridges and solid ink sticks for color laser business printers. Media Sciences' products are all **new build**, not reman, and have a track record of exceptional performance:

- **Less than 0.5% defect rate**
- **Industry leading warranty**
- **Professional, responsive technical support**
- **Yields equal to the OEM**
- **Conservation program**

Many of the popular printers that Media Sciences makes supplies for are listed on the attached page.

We value your trust and confidence in Independence Business Supply and we're confident you'll agree with our assessment of Media Sciences products. But you don't have to take our word on it – contact me and I'll get you a free sample. Once you experience the quality and see your savings, you'll appreciate color printing in a whole new way.

Sincerely,

Independence Business Supply
